# FROM THE HEAD OF THE SCHOOL

Dear Friends of St. Luke's,

On May 20, 2005, the Chris Jones Middle School graduated its second 8th grade class. Watching these beautiful, responsible, mature young people walk down the aisle of the church and take their seats, I was filled with pride at the job that had been done. These young people had put in many hours, studying, completing projects, taking tests, being overjoyed at their successes, and disappointed at their failures. Yes, they had grown a lot. Many people had helped them along the way; teachers, coaches, parents, ministers, friends, and foes, all had a part in their journey.

While graduation is about endings, I couldn't help but think of the importance of the beginning. A strong middle school is only possible with the foundation of a strong preschool and elementary program. St. Luke's is blessed, blessed with teachers who understand that the love of learning begins with the first day of preschool. Daily chapel, interesting classes, loving and supportive teachers, and parents who value education are all a formula for a lifelong love of learning. Every school offers reading, writing, and arithmetic, but what sets St. Luke's apart from the rest are the "other things," the enhancements.

As a donor to the Annual Giving Campaign, you make these enhancements possible. Students at St. Luke's receive art instruction twice a week, not once like in most schools. They receive music instruction twice a week, not once, Spanish, three times a week in the younger grades and five days a week in the upper grades, Latin, PSIA, science fairs, Declamation, character education, swimming, tennis, jump rope, soccer, volleyball, basketball, and much more. All of these things are made possible by the generosity of people like you.

We thank you for supporting the special work that is done at St. Luke's. Be proud, you are a part of something special.

Sincerely,

Shirley Berdecio, Head of School  
St. Luke's Episcopal School

St. Luke's Episcopal School had another wonderful year in 2004-2005 as you will see in the Annual Report. We are proud to continue the long and valued tradition of Episcopal education in San Antonio. In an article concerning the principal qualities that distinguish an Episcopal school, The National Association of Episcopal Schools states:

As embodiments of the Christian faith, Episcopal schools are created to be communities that honor, celebrate and worship God as the center of life. They are created to be models of God's love and grace. They are created to serve God in Christ in all persons, regardless of origin, background, ability or religion. They are created to "strive for justice and peace among all peoples and (to) respect the dignity of every human being." These principles are the basis on which identity and vocation are to be defined in Episcopal schools. By weaving these principles into the very fabric of the school's overall life, Episcopal schools ensure that their missions are built on the sure foundation of a Christian love that guides and challenges all who attend our schools to build lives of genuine meaning, purpose and service in the world they will inherit.

St. Luke's has developed a community of students, families, faculty, staff and a Board of Trustees that honor the traditions of Episcopal education by living "The St. Luke's Way."

The Board of Trustees is charged with furthering the School's mission and ensuring the School's success. Our mission statement calls us "to take mindful actions on behalf of the next generation of students." The Board is committed to strategic planning and other actions that ensure the strength and stability of the School. Increases in teacher salaries, enhancements in curriculum and improvements in the athletics program are among our highest priorities.

We are grateful for all the students, families, faculty, staff, board members, alumni and friends who make up the St. Luke's Episcopal School community. The commitment to Episcopal education from the staff and members of St. Luke's Episcopal Church sustains us. The leadership and vision provided by Shirley Berdecio as the Head of School is a blessing. Thanks be to God.

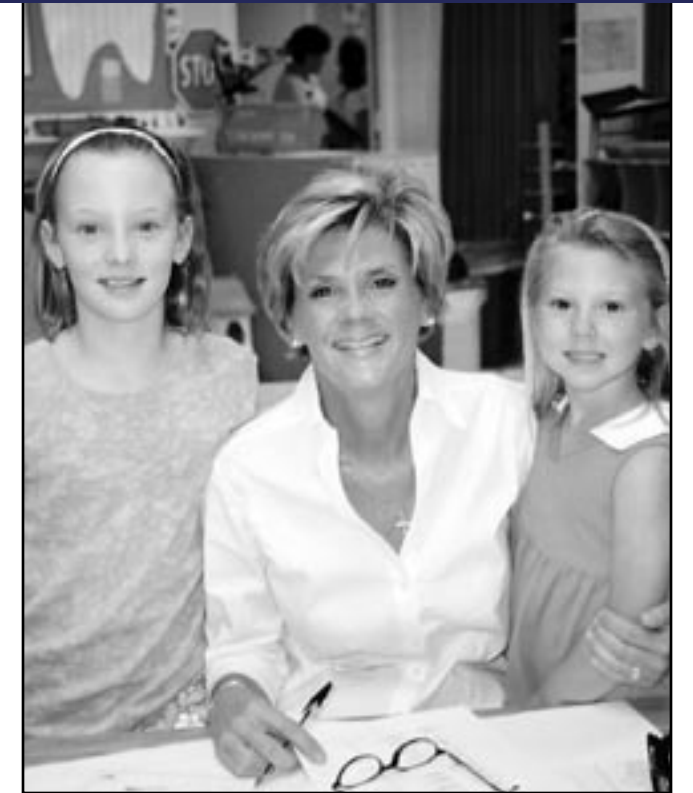

Vivere in Veritate

Ann Denton Wells, Board Chair

## ANNUAL GIVING

The St. Luke's Annual Giving Campaign reached a lofty goal this year led by campaign chairs Valerie and Tony Turner. A grand total of \$161,200 was contributed to the annual campaign. The goal for unrestricted gifts was exceeded with more than \$127,000 donated to the School.

Funds received through the Annual Giving Campaign are put right back into the classroom, whether it is providing an additional enrichment class, supplementing the School's technology curriculum or adding volumes to the Newman Library circulation. In short, unrestricted gifts to Annual Giving allow the School to exceed your expectations and provide unique experiences to our students. Your financial support provides for many of the things that set a St. Luke's education apart from other schools.

## MARDI GRAS WRAP-UP

The Annual Parent Council Auction Party has two purposes: FUN-raising and FUND-raising. The Mardi Gras Party was no exception. A tuition drawing, live auction vacation packages, silent auction items, and student art projects gave every supporter something to bid for. Sunset Station hosted the event, while Don Strange of Texas catered to the delight of everyone's palette.

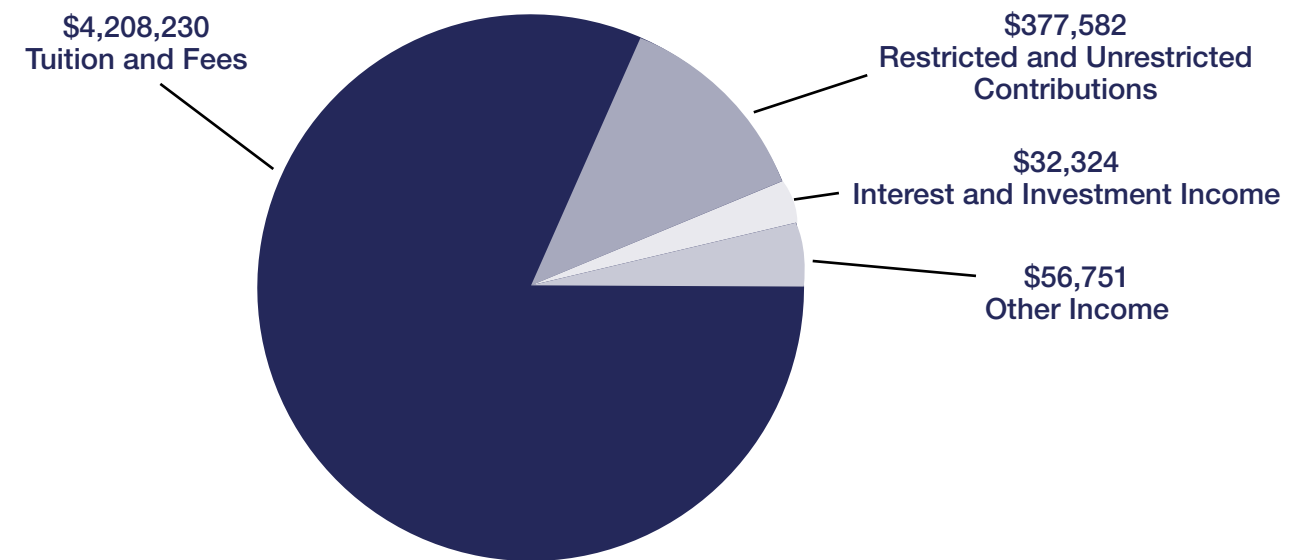

The Auction Committee was successful in both the FUN-raising and FUND-raising arenas generating a net profit of over \$75,000 and providing a fun-filled evening for our St. Luke's community.

The Mardi Gras Committee introduced a student prize raffle to compliment the Annual Auction Party. Students sold Raffle Tickets for a chance to win an Autographed Steve Kerr Spurs jersey, Gucci Pink Leather purse, Diamond Hoop earrings, Westin weekend, Build a Bear party, MP3 player, portable DVD player, electric scooter, helmet or Gamecube. Prizes were awarded during a student assembly amidst escalating shrieks of joy. Proceeds from the Raffle generated more than \$10,000 which Parent Council contributed to St. Luke's.

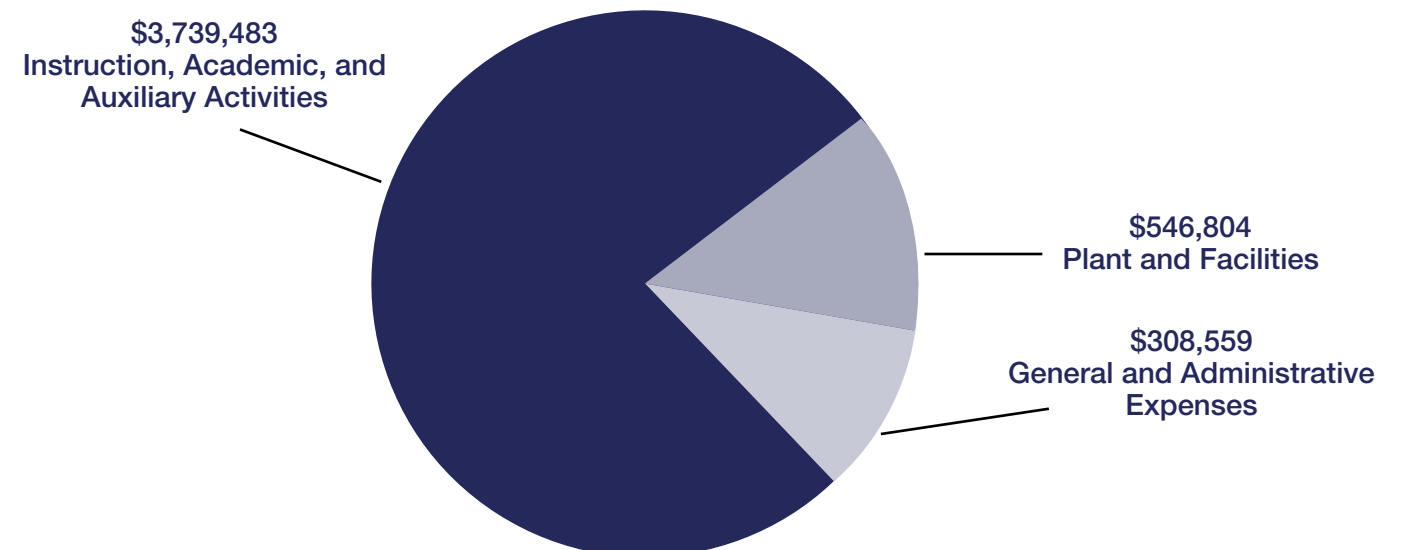

## FINANCIALS
